Amendment to Resolution regarding availability of the Task Force Reports

Whereas the creation of a number of Task Forces has been the principle mechanism whereby some members of the faculty have had a role in responding to the present financial crisis, and

Whereas these Task Forces have now completed their reports and submitted them to the Provost, and

Whereas the decisions made based upon these reports will affect all members of the faculty,

Now therefore be it resolved that the faculty recommends that the task force reports or those parts of those reports which the provost deems to contain viable responses to the present crisis be submitted at the earliest possible moment for discussion and response by the faculty at large.
