Charles Walcott  
Dean of Faculty

Dear Charlie,

As this year's chair of the University Committee on Academic Freedom and Professional Status, I am submitting a very short report.

During the three years that I have served on AFPS, the first two years saw a good deal of activity. This year, I am slightly chagrined to confess, we had no cases to consider, and the committee did not meet.

Respectfully submitted,

Barbara Correll  
Associate Professor  
Chair, Committee on Academic Freedom and Professional Status
