Dr. Charles Walcott
Dean of University Faculty
W255 Mudd Hall
Cornell University

Dear Charlie,

I attach the requested annual report of activities of the Provost's Local Advisory Committee. As this report may not have been filed recently, I include activities over the last 3 years. The report outlines the grant and foundation applications that have been selected from Cornell, as well as the outcomes (A-accepted; D-declined; P-pending). Over the past year the LAC has not been asked to evaluate or report on any specific University initiatives by Associate Provost Richardson.

Please let me know if I can provide any other information to the Faculty Senate.

Cordially,

Michael I. Kotlikoff, VMD, PhD
Professor and Chair
