Re: University Faculty Forum on Biological Sciences

You are invited to attend and to participate in a non-voting **University Faculty Forum** concerning biological sciences on **Wednesday, October 21 at 4:30 p.m.** in David L. Call Alumni Auditorium of Kennedy Hall.

We will post [additional details about the meeting](#) on the University Faculty website.

<http://UniversityFaculty.cornell.edu/>

Please refer to the University Faculty website for [resource documents](#), [faculty comments](#), and [draft minutes of the October 14th Faculty Senate discussion](#) (available on October 19) on the biological sciences issue.

If you have a professional interest in this problem and can contribute to its resolution, please consider sharing your views in writing via the University Faculty website or orally next Wednesday.

If you have questions for the Forum panelists, please send them by e-mail beforehand, if feasible, to jab14@cornell.edu. We will post questions and brief statements by the Faculty on the website. We'll also post, probably by the 26th, a transcript of the Forum.

Note: Please feel free to invite Lecturers, Senior Lecturers and others who have a stake in this discussion to attend.
