

# University Faculty Forum

## **Beyond eCornell: Technology in the Classroom, Distance Education and New Pedagogy**

**Thursday, March 8, 2001, 4:30–6:00 p.m.**

**Call Alumni Auditorium, Kennedy Hall**

**(As background, some illustrative uses of distributed learning will be presented informally beginning at 3:30 p.m. at the same location)**

**Purpose: Explore potential distributed learning possibilities and opportunities for Cornell**

### **Panel Moderator:**

Charles Walcott, Associate Dean and Secretary of the University Faculty  
Professor and Chair, Neurobiology & Behavior

### **Faculty Discussants:**

John Abowd  
Professor, ILR and Director, CISER

John Fitzpatrick  
Professor and Director, Laboratory of Ornithology

**Note: Essays from members of the Cornell community on attractive opportunities for distributed learning applications will be available on the University Faculty website:  
<http://www.cornell.edu/UniversityFaculty/forums/beyondcornell/main.html>**

**The Forum is Open to the Community**
