

RESOLUTION ON FINAL EXAM SCHEDULE

WHEREAS, the new final exam schedule (effective Fall 2005) has exams on two Friday nights (first one for scheduled exams and the second one for make-ups), and thus creates a problem for large numbers of students who have religious observances on Friday nights,

THEREFORE, BE IT RESOLVED that the Senate instructs the University Registrar, that starting Fall 2006, exams that are scheduled on the first Friday evening be moved to the Wednesday evening of study week at 7:00 PM.
