

Proposed Resolution – Voting Rights – Senate

Be it resolved that each college take separate action to grant all its affiliated and continuing NTT faculty voting rights appropriate to their jobs and that each department include its affiliated and continuing NTT faculty in decision-making related to their responsibilities. Such action does not imply participating in appointments and promotions of tenure-line faculty.

Be it further resolved that the word “directly” in the following sentence in the paragraph beginning “Lecturers and senior lecturers are not members of the University Faculty or of the Graduate Faculty (page 30 of the 2002 *Faculty Handbook*) be deleted:

However, they participate fully in those decisions that are **directly** related to their roles within the college or school and within the department.
