UFC Resolution on the Library Task Force Report

Whereas the by-laws of Cornell University recognize that the faculty has the function “to consider questions of educational policy which concern more than one college” (Article XII, Section 3)

Whereas the University Libraries are a major component of a Cornell education in terms of teaching and research;

Whereas the four of the five faculty members who were part of the library task force dissented from the report and offered a “minority report” with alternative ways to produce efficiencies;

The Faculty Senate recommends that the provost delay any implementation of the report until the Senate has had time to deliberate its findings and the alternatives at the beginning of the spring semester, 2010.
