

Consensual Relationships Policy Ballot: Faculty Senate 4/25

Name: _____

Constituency/Department: _____

Check One Box:

_____ I support CRP-A

_____ I support CRP-B

_____ I support neither CRP-A nor CRP-B

Reminder

CRP-A and CRP-B are identical except in one respect. CRP-A prohibits sexual or romantic relationships between faculty and graduate/professional students if both are affiliated with the same graduate field or degree program. CRP-B allows for such relationships provided there is disclosure and an appropriate recusal plan. Both options prohibit romantic or sexual relationships between faculty and undergraduate students.

You can submit a comment for the public record that justifies or qualifies your vote. This can be done physically (by writing on the reverse) or electronically (via email to deanoffaculty@cornell.edu by April 27.).
