

16:18:44 From Paul Ginsparg to Everyone : Neema, if we wait a couple of months we could celebrate charlie in person?

16:19:10 From TJ Hinrichs to Everyone : Great point, Christine.

16:20:01 From Thomas Björkman (Horticulture) to Everyone : The resistance to top-down proposals derives from the hard-won academic freedom that was developed in response to the intellectual suppression by communist hunters in the 1950s. The adoption of the red-baiters' techniques for virtuous causes is not appropriate, so the solution has to be crafted more carefully. (I'm very skeptical that today's neo-McCarthyites' sudden devotion to free speech is sincere.)

We can make effective programming to ends about which there is substantial agreement and identified needs without falling into that trap..

16:32:35 From Maria Gandolfo Nixon to Everyone : Thank you so such great presentations.

16:32:46 From Buz Barstow to Everyone : Yes, likewise!

16:33:18 From Ariel Ortiz-Bobea to Everyone : Thank you Risa and Eve!

16:33:25 From Carl Franck to Everyone : Indeed, and thanks Neema for what you have been doing.

16:34:23 From Joanie Mackowski to Everyone : this sounds like an irrelevant ad hominem attack, Ken

16:34:27 From Neil Saccamano to Everyone : Ditto

16:34:34 From Courtney Roby to Everyone : Agreed!

16:34:50 From Vilma Santiago-Irizarry to Everyone : It is. It should be disregarded.

16:35:21 From Joanie Mackowski to Everyone : that is what I recall, also-- we pulled the vote.

16:39:17 From Joanie Mackowski to Everyone : To make it clear: the one breaking norms here is Ken: using President Garrett's death as a means to question a candidate for DoF is really counter-productive

16:39:50 From Joanie Mackowski to Everyone : disagree, Neema

16:40:07 From Courtney Roby to Everyone : Yes, Risa managed to turn it into an opportunity for productive discourse but it was a hostile and disingenuous question.

16:40:14 From Neil Saccamano to Everyone : Disagree, respectfully, Neema.

16:43:07 From David Delchamps to Everyone : The policy-college discussion reassured me that the central administration can respond reasonably and reminded me of how reasonableness depends so heavily on who the administrators are!

16:43:44 From Wendy Wilcox to Everyone : I believe it is Dean of Faculty. University Faculty are tenure-track faculty.

16:43:47 From Neema Kudva to Everyone : Thanks Neil, Joannie and everyone on DM

16:44:09 From Joanie Mackowski to Everyone : Did Charlie stop the speaker position or did it end with zoom meetings and covid?

16:44:21 From David Delchamps to Everyone : Joanie, I think the latter.

16:44:31 From Elizabeth Lamb to Everyone : Wendy, RTE faculty are also faculty.

16:44:38 From Joanie Mackowski to Everyone : the parliamentarian

16:44:41 From Joanie Mackowski to Everyone : thanks, David

16:44:55 From Richard Bensele to Everyone : There is no reason Zoom prevents a presiding officer...

16:47:38 From Wendy Wilcox to Everyone : Thanks Elizabeth. I was clarifying that there are University Faculty and RTE Faculty. Richard was referring to the position of Dean of University Faculty.

16:48:05 From Elizabeth Lamb to Everyone : Thanks, Wendy. I got lost in the discussion :)

16:48:17 From Wendy Wilcox to Everyone : :)

16:52:26 From Wendy Wilcox to Everyone : WOW! This is a historic slate!

16:52:41 From Matthew Evangelista to Everyone : For what it's worth, I checked my email archive regarding the censure resolution and thought I could help set the record straight. The original censure resolution was directed at the central administration and the board of trustees, not the president personally. The day the chair of the board announced the president's passing, two sponsors of the resolution, Risa and Bill Sonnenstuhl, immediately wrote to the other co-sponsors to request that it be tabled.

16:53:14 From Neema Kudva to Everyone : Thanks for the clarification Matt. Much appreciated.

16:58:51 From Maria Gandolfo Nixon to Everyone : Thank you so much for all the questions and answers.

16:59:11 From Thomas Björkman (Horticulture) to Everyone : Thanks for the excellent and informative discussion!

16:59:11 From Christine Leuenberger to Everyone : Thank you!

16:59:13 From Erik Born to Everyone : Thank you for the presentations and discussion!

16:59:15 From Courtney Roby to Everyone : Thanks both!

16:59:17 From Chris Schaffer to Everyone : Thank you both for standing for election, Risa and Eve!

17:03:17 From TJ Hinrichs to Everyone : In History, Oren and Robert have been doing the additional cover notes, bringing our attention to key issues. Has been very helpful.

17:07:13 From Robert Platt to Everyone : There are a number of quasi academic departments such as Military Science, Physical Edcation and Extension staff that have teaching responsibilities.

17:17:36 From Thomas Björkman (Horticulture) to Everyone : I read the FLB's actions as an endorsement by the Senate of the Library's proposal to host the center.
