Thanks for that clarification Ken. 6 v. 12 is a good point.

16:49:07 From Richard Bensel to Cornell University(Direct Message):

There seem to be many issues here. One of them appears to be the comparability of these titles and procedures across colleges and units, even given the apples and oranges quality of the positions. Another might be the trends in non-tenure track positions as a proportion of all faculty positions. We might profit from a general update of the discussion we had several years ago.

16:49:26 From Allison Chatrchyan, Cornell to Everyone:

What is the current makeup of the Ad-Hoc RTE Committee? It doesn't seem transparent, when is it meeting?

16:51:04 From Jill Short to Everyone:

This link on the University Faculty website has information about the ongoing project, RTE Issues Committee.
